

## The Virtuali-Tee

- The Virtuali-Tee is an AR enabled t-shirt that brings anatomy to life when scanned with the accompanying app.
- The Virtuali-Tee is a unique design and made from 100% cotton. It is soft, durable and machine washable.

### Kids Virtuali-Tee

### Adults Virtuali-Tee

SIZE GUIDE (cm)				
Sizes	S	M	L	XL
Chest	48	51	54	57
Body length	69.5	71.5	73.5	75.5
Sleeve length	20.5	20.5	21.5	21.5

### The App

- The associated app is free of charge to download and available on [App Store](#) and [Google Play](#)
- Compatible with operating systems iOS 8.3+ and Android 4.4.4+
- Interact with the body by clicking on the hotspots
- Switch into selfie-mode to see for yourself
- Dive into the bloodstream, the lungs and the intestines in 360/VR mode
- The anatomy expert Hans Glover is to hand to guide through the vital organs in the body
- Use Chromecast or Airplay to mirror your device on your TV for group learning

### How does it work?

- Download the app
- Put your Virtuali-Tee on (or get your friend to wear it)
- Open the app and Point your phone or tablet at the Virtuali-Tee to start exploring
- When the app scans the code on the t-shirt you can isolate the internal systems using AR and VR technology
